- COVID-19 restrictions have now been reinstated to Stage 3 in regional Victoria. All property inspections will be kept to a minimum of people to ensure the safety of all clients.
- The Agent maintains the ability to cancel or postpone any property inspection at any time, should circumstances surrounding the property or the occupants of the property change in so far as conducting an in-person property inspection may constitute posing further contagion risk to others.
- You must complete the brief questionnaire on the back of this card, sign and date it and provide it to the Agent prior to gaining access to any occupied property. Should you require a copy of your completed questionnaire, please advise the Agent and it can be scanned and forwarded to you via email, or a photocopy of it shall be provided to you.
- You must provide the Agent with proof of identity by way of a photograph form of identity, which will then be copied or photographed by the Agent to be kept on file with your completed questionnaire.
- Only two (2) persons (including the Agent), shall be given access to a property, in its entirety, for a property inspection. The inspection may take place while the occupier of the property is at home. We would ask interested parties not to invite additional family members or friends to an inspection where those persons have no direct interest in the property.
- All persons undertaking a property inspection must wear a face mask at all times.
- All persons undertaking a property inspection are asked to refrain from touching their nose, eyes or mouth whilst and are asked to refrain from touching surfaces or items whilst at the property.
- All persons present at a property inspection must endeavour to adhere to 1.5m self-distancing at all times.
- In attending an inspection you are required to supply your name, address & contact details. If it is later found that you have been exposed to COVID-19 you will be notified immediately. You will also be required to agree in writing to contact our office should you later become aware you have been exposed to COVID-19 or persons exhibiting symptoms of COVID-19.
- All property occupiers will have been requested to advise the Agent if they have been experiencing fever, sore throat, cough, fatigue, difficulty breathing or any other symptoms that may be associated to COVID-19, prior to access to the property being provided.
