Median sale price

Important advice about the median sale price: When this Property Price Statement was prepared, publicly available information providing median sale prices of vacant land in the suburb or locality in which the property offered for sale is situated, and our sales records (if any), did not provide a median sale price that met the requirements of section 47AF (2)(b) of the *Estate Agents Act 1980*.

This section describes the median selling price for residential properties sold in the same suburb as the property offered for sale, sold in a 3-to-12-month period ending no more than 6 months before this statement was prepared.

Comparable property sales

These are the three most comparable properties to the property for sale that were sold **within five kilometres** of the property for sale **in the last 18 months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

[Insert N/A in blank sections]

Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

The reason the agent or agent's representative believes that fewer than three comparable properties:

Maretime is a unique heritage bluestone property of a grand style without sales comparison within the Portland area.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
